Hi Sophia,

Thank you for bringing this to my attention, I have included Lt. Raymond Lucas and the other supervisors on our night watch that oversee the officers on the Gate Closure program. As for locking individual in the park after securing the gates, can you send me the photos that were mentioned in the emails.

Thanks
Rich

Also, to make you aware , whomever your staff is who's locking the Park at night, they are periodically locking transients inside, see picture I took this morning while De Longpre Park was still locked up from last night. This is a liability for the city , so we have to be sure everyone has exited when locking up the park at night.
